HEAT PUMP REPLACING 100% ELECTRIC RESISTANCE HEAT

(Must be replacing primary heat source for whole home)

Single Speed Compressor

\$800

Dual/Variable Speed Compressor

\$1500

PLEASE NOTE:

HCREMC reserves the right to approve, deny or select the appropriate incentive. Prior approval from HCREMC is required for electric resistance incentives.

To qualify, the home in which the equipment is installed must be occupied year-round.

To receive an incentive from HCREMC, homeowners must provide AHRI (Air conditioning, Heating and Refrigeration Institute) validation for all SEER ratings. This can be obtained from the installing heating and cooling dealer. No incentive will be awarded based on SEER rating listed on the HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source than AHRI.

Homeowners must complete a request form and provide proof of purchase (paid invoice or receipt) to receive any 2018 incentive.

Deadline to apply for 2018 Rebate Program is Dec. 15, 2018.

* Mobile/manufactured homes are defined as:

- Factory assembled; Transportable; Designed for transportation on own chassis; Can be placed on temporary or permanent foundation; Intended for year-round occupancy
- Note: Modular homes are considered residential single family homes.

**Units that do not qualify include:

Window heat pumps, "Thru-the-wall" heat pumps (hotel-type machines) and Ductless Mini-Split Heat Pumps used for only sunrooms, room additions or other small areas.

Please read and sign at the bottom to indicate you understand and agree to the following conditions:

Limit of two rebates (per type) per household. All homeowners must complete a rebate request form and provide proof of purchase to receive any 2018 rebate. Deadline to apply for 2018 Rebate Program is Dec. 15, 2018. All homeowners and future homeowners receiving rebates from the electric cooperative agree to the future installation of an energy management switch on these rebated appliances to allow future peak demand energy management procedures. The cooperative reserves the right to approve, deny or select the appropriate rebate. The co-op also reserves the right to inspect and verify installation of equipment receiving a rebate.
